3. All Star (in G+)

Smash Mouth

G D Am C
Somebody once told me the world is gonna roll me
G D Am C
I ain't the sharpest tool in the shed
G D Am C
She was looking kinda dumb with her finger and her thumb in the
G D Am C
Shape of an "L" on her forehead

Well the years start coming and they don't stop coming / Back to the rules and I
hit the ground running
Didn't make sense not to live for fun / Your brain gets smart but your head gets
dumb
So much to do so much to see / So what's wrong with taking the back streets
You'll never know if you don't go / You'll never shine if you don't glow

[Chorus]

G C C#dim C
Hey now you're an All Star get your game on, go play
G C C#dim C
Hey now you're a Rock Star get the show on get paid
G C C#dim
And all that glitters is gold
C G F C
Only shooting stars break the mold

It's a cool place and they say it gets colder
You're bundled up now but wait 'til you get older
But the media men beg to differ
Judging by the hole in the satellite picture

The ice we skate is getting pretty thin
The waters getting warm so you might as well swim
My world's on fire how about yours
That's the way I like it and I never get bored

[Repeat Chorus]

Somebody once asked, could I spare some change for gas
I need to get myself away from this place
I said yep what a concept I could use a little fuel myself
And we could all use a little change

Well the years start coming and they don't stop coming / Back to the rules and I
hit the ground running
Didn't make sense not to live for fun / Your brain gets smart but your head gets
dumb
So much to do so much to see / So what's wrong with taking the back streets
You'll never know if you don't go / You'll never shine if you don't glow

[Repeat Chorus]

So we bought a pack of cigarettes and Mrs. Wagner's pies

D C G C C/B Am C/G F

And we walked off to look for America.

Cathy I said as we boarded a Greyhound in Pittsburgh

Michigan seems like a dream to me now

It took me four days to hitchhike from Saginaw

I've gone to look for America

A#maj7 Cmaj7

Laughing on the bus playing games with the faces

A#maj7 Cmaj7

She said the man in the gabardine suit was a spy

I said be careful his bowtie is really a camera

Toss me a cigarette I think there's one in my raincoat

We smoked the last one an hour ago

So I looked at the scenery she read her magazine

And the moon rose over an open field

Cathy I'm lost I said though I knew she was sleeping

I'm empty and aching and I don't know why

Counting the cars on the New Jersey Turnpike

They've all come to look for America

All come to look for America

All come to look for America

[intro] G Am

G Am G Am
I left your house this morning / About a quarter after nine
G Am G Am
Could have been the Willie Nelson / Could have been the wine
Bm C G Am
When I left your house this morning / It was a little after nine
Bm C
It was in Bobcaygeon, I saw the constellations
G Am
Reveal themselves one star at a time

Drove back to town this morning / With working on my mind
G Am G Am
I thought of maybe quittin' / I thought of leaving it behind
Bm C G Am
I went back to bed this morning / And as I'm pulling down the blind
Bm C G
Am
Yeah, the sky was dull, and hypothetical / And falling one cloud at a
time

Em C
That night in Toronto / With its checkerboard floors
G D
Riding on horseback / And keeping order restored
Em C
Till the men they couldn't hang / Stepped to the mic and sang
G D
And their voices rang / With that Aryan twang

[interlude] G Am G Am

G Am G Am
I got to your house this morning / Just a little after nine
G Am G Am
In the middle of that riot / Couldn't get you off my mind
Bm C G Am
So I'm at your house this morning / Just a little after nine
Bm C
'Cause it was in Bobcaygeon where I saw the constellations

13. The Boxer (in C)

Paul Simon

C Am
I am just a poor boy though my story's seldom told
G
I have squandered my resistance
G7 G6 C
For a pocket full of mumbles, such are promises
Am G F
All lies and jest, still a man hears what he wants to hear
C G G7 G6 C
And disregards the rest

When I left my home and my family, I was no more than a boy
In the company of strangers
In the quiet of a railway station, running scared
Laying low, seeking out the poorer quarters
Where the ragged people go
Looking for the places only they would know

Am G Am G F C
Lie la lie Lie la lie Lie la lie Lie la lie Lie la lie

Asking only workman's wages I come looking for a job
But I get no offers
Just a come-on from the whores on Seventh Avenue
I do declare, there were times when I was so lonesome
I took some comfort there
Lie lie lie lie la

Then I'm laying out my winter clothes and wishing I was gone
Going home where the New York City winters aren't bleeding me
Leading me, going home.

In the clearing stands a boxer and a fighter by his trade
And he carries a reminder ov ev'ry glove that laid him down
Or cut him till he cried out in his anger and his shame
I am leaving, I am leaving
But the fighter still remains

Lie la lie...

Good morning America how are you
Am F C
Say don't you know me I'm your native son
G7 C G7 Am
I'm the train they call the city of New Orleans
 A7# G7 C
I'll be gone five hundred miles when the day is done

Dealing cards with the old men in the club car
Penny a point ain't no one keeping score
Pass the paper bag that holds the bottle
Feel the wheels grumbling 'neath the floor

And the sons of Pullman porters, And the sons of engineers
Ride their fathers magic carpet made of steel
Mothers with their babes a sleep, A rocking to the gentle beat
And the rhythm of the rail is all they feel

Chorus:

Nighttime on the city of New Orleans,
Changing cars in Memphis Tennessee
Through the Mississippi darkness rolling down to the sea

And all the towns and people seem to fade into a bad dream
And the steel rail still ain't heard the news
The conductor sings his song again
The passengers will please refrain
This trains got the disappearing railroad blues

I know not everybody has got a body like you
But I've got to think twice before I give my heart away

Time to pick my heart up off the floor
Oh when that love comes down without devotion
Well it takes a strong man baby but I'm showing you the door

'Cause I gotta have faith, I gotta have faith
Because I gotta have faith, faith, faith
I gotta have faith, faith, a-faith ah

BABY, I know you're asking me to stay
Say please, please, please don't go away
You say I'm giving you the blues
MAYBE, you mean every word you say
Can't help but think of yesterday
And another who tied, me, down, to, lover boy rules
Before this river becomes an ocean
Before you throw my heart back on the floor
Oh-baby-I reconsider my foolish notion
Well I need someone to hold me but I'll wait for something more

C D G D

It goes like this the fourth, the fifth
Em C
The minor fall, the major lift
D B Em
The baffled king composing Hallelujah
C Em C G D G D
Hallelujah, Hallelujah, Hallelujah, Hallelu-u-jah

Your faith was strong, but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew ya
She tied you to a kitchen chair
She broke your throne, and she cut your hair
And from your lips she drew the Hallelujah
Hallelujah, Hallelujah, Hallelujah, Hallelu-u-jah

You say I took the name in vain
I don't even know the name
But if I did, well really, what's it to ya?
There's a blaze of light in every word
It doesn't matter which you heard
The holy or the broken Hallelujah
Hallelujah, Hallelujah, Hallelujah, Hallelu-u-jah

I did my best, it wasn't much
I couldn't feel, so I tried to touch
I've told the truth, I didn't come to fool ya
And even though it all went wrong
I'll stand before the Lord of Song
With nothing on my tongue but Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah
Hallelujah, Hallelujah, Hallelujah, Hallelujah
Hallelujah, Hallelujah, Hallelujah, Hallelujah
Hallelujah, Hallelujah, Hallelujah, Hallelujah

She rushes to his arms they fall together.
She whispers that it's only for a while.
She says that soon she'll be coming back forever.
She pulls away and leaves him with a smile.
(Chorus)

She gets up and pours herself a strong one.
And stares out at the stars up in the sky.
Another night, it's gonna be a long one;
She draws the shade and hangs her head to cry.

And she wonders how it ever got this crazy.
She thinks about a boy she knew in school.
Did she get tired or did she just get lazy.
She's so far gone, she feels just like a fool.

My, oh my, you sure know how to arrange things;
You set it up so well, so carefully.
Ain't it funny how your new life didn't change things;
You're still the same old girl you used to be.
(Chorus)

There ain't no way to hide your lyin' eyes.
Honey you cant hide your lyin' eyes.

He looked to me to be the eyes of age
As he spoke right out
He talked of life, talked of life,
He laughed, slapped his leg a step

Chorus:

He said his name Bojangles then he danced a lick
Across the cell
He grabbed his pants, a better stance, oh he jumped so high,
And he clicked his heels
He let go a laugh, let go a laugh,
Shook back his clothes all around

Chorus:

He danced for those at minstrel shows and county fairs,
Throughout the south
He spoke with tears of 15 years how his dog and him
Traveled about
His dog up and died, up and died,
After 20 years he still grieves

He said I dance now at every chance in honky tonks
For drinks and tips
But most the time I spend behind these county bars
Cause I drinks a bit
He shook his head, and as he shook his head
I heard someone ask him please

And I'll try not to sing out of key
 C G D
Oh I get by with a little help from my friends

80. You're So Vain (in Am)

Carly Simon

You walked into a party;
F Am
like you are walking on to a yacht
Am
Your hat, strategically dipped below one eye;
F Am
your scarf it was an apricot
F G Em Am F C
You had one eye in the mirror as you watched yourself gavotte

You're so vain,
F C
you prob'ly think this song is about you
C Am
You're so vain,
F G
I'll bet you think this song is about you, don't you, don't you

You had me several years ago;
when I was still quite naive
Well you said that we make such a pretty pair
and that you would never leave
But you gave away the things you loved and one of them was me
I had some dreams; they were clouds in my coffee, clouds in my
coffee and

[Chorus]

Well I hear you went up to Saratoga and your horse naturally
won
Then you flew your Lear jet up to Nova Scotia
To see the total eclipse of the sun
