

## **A Horse with No Name**

America

On the first part of the journey  
I was looking at all the life  
There were plants and birds and rocks and things  
There was sand and hills and rings  
The first thing I met was a fly with a buzz  
And the sky with no clouds  
The heat was hot and the ground was dry  
But the air was full of sound

Chorus:

I've been through the desert on a horse with no name  
It felt good to be out of the rain  
In the desert you can remember your name  
'Cause there ain't no one for to give you no pain  
La, la, la la la la, la la la, la la...  
La, la, la la la la, la la la, la la...

After two days in the desert sun  
My skin began to turn red  
After three days in the desert fun  
I was looking at a river bed  
And the story it told of a river that flowed  
Made me sad to think it was dead

Chorus:

After nine days I let the horse run free  
'Cause the desert had turned to sea  
There were plants and birds and rocks and things  
There was sand and hills and rings  
The ocean is a desert with its life underground  
And a perfect disguise all above  
Under the cities lies a heart made of ground  
But the humans will give no love

Chorus:

## **All My Loving**

The Beatles

Close your eyes and I'll kiss you, tomorrow I'll miss you,  
remember I'll always be true.

And then while I'm away I'll write home everyday  
and I'll send all my loving to you.

I'll pretend that I'm kissing, the lips I am missing  
and hope that my dreams will come true.

And then while I'm away I'll write home everyday  
and I'll send all my loving to you.

Chorus:

All my loving I will send to you.

All my loving, darling I'll be true.

(Repeat first verse and chorus)

## **Bella Ciao, Bella Ciao**

Una mattina mi son svegliato, O bella, ciao! Bella, ciao!

Bella, ciao, ciao, ciao!

Una mattina mi son svegliato

E ho trovato l'invasor.

O partigiano portami via,

O bella, ciao! Bella, ciao! Bella, ciao, ciao, ciao!

O partigiano portami via

Che mi sento di morir.

E se io muoio da partigiano,

O bella, ciao! Bella, ciao! Bella, ciao, ciao, ciao!

E se io muoio da partigiano

Tu mi devi seppellir.

Mi seppellire lass in montagna,

O bella, ciao! Bella, ciao! Bella, ciao, ciao, ciao!

Mi seppellire lass in montagna

Sotto l'ombra di un bel fior.

E le genti che passeranno

O bella, ciao! Bella, ciao! Bella, ciao, ciao, ciao!

E le genti che passeranno

Mi diranno "Che bel fior"

E questo il fiore del partigiano,

O bella, ciao! Bella, ciao! Bella, ciao, ciao, ciao!

E questo il fiore del partigiano

Morto per la liberta

## **Can't Take My Eyes Off of You**

Four Seasons

You're just too good to be true. Can't take my eyes off you.  
You'd be like heaven to touch. I wanna hold you so much.  
At long last love has arrived. And I thank God I'm alive.  
You're just too good to be true. Can't take my eyes off you.

Pardon the way that I stare. There's nothing else to compare.  
The thought of you leaves me weak. There are no words left to speak.  
But if you feel like I feel, please let me know that it's real.  
You're just too good to be true. Can't take my eyes off you.

Chorus:

I need you baby and if it's quite all right,  
I need you baby to warm the lonely night  
I love you baby, Trust in me when I say  
Oh pretty baby, don't let me down, I pray.  
Oh pretty baby, now that I found you, stay.  
And let me love you, oh baby. Let me love you.  
(Repeat first verse and chorus)

## **Forever Young**

Bob Dylan

May God bless and keep you always, may your wishes all come true  
May you always do for others and let others do for you  
May you build a ladder to the stars and climb on every rung  
And may you stay...forever young

Chorus:

Forever young, forever young, may you stay forever young

May you grow up to be righteous, may you grow up to be true  
May you always know the truth and see the light surrounding you  
May you always be courageous, stand upright and be strong  
And may you stay...forever young

Chorus:

May your hands always be busy, may your feet always be swift  
May you have a strong foundation when the winds of changes shift  
May your heart always be joyfull, may your song always be sung  
And may you stay...forever young

Chorus:

## **Eight Days A Week**

The Beatles

Ooh I need your love babe guess you know it's true  
Hope you need my love babe just like I need you

Chorus:

Hold me, love me. Hold me, love me  
Ain't got nothin' but love babe eight days a week

Love you every day girl always on my mind  
One thing I can say girl love you all the time

Chorus:

Eight days a week I love you  
Eight days a week is not enough to show I care

(Repeat first verse)

Chorus:

(Repeat second verse).

Chorus:

## **From Me to You**

The Beatles

Da da da da da dum dum da Da da da da da dum dum da

If there's anything that you want, If there's anything I can do,  
Just call on me and I'll send it along with love from me to you

I got everything that you want, like a heart that's oh, so true,  
Just call on me and I'll send it along with love from me to you

Chorus:

I got arms that long to hold you and keep you by my side.  
I got lips that long to kiss you and keep you satisfied  
(repeat first verse)

## Happy Together

The Turtles

Imagine me and you, I do  
I think about you day and night, it's only right  
To think about the girl you love and hold her tight  
So happy together

If I should call you up, invest a dime  
And you say you belong to me and ease my mind  
Imagine how the world could be, so very fine  
So happy together

Chorus:

I can't see me lovin' nobody but you, for all my life  
When you're with me, baby the skies will be blue, for all my life

Me and you and you and me  
No matter how they toss the dice, it has to be  
The only one for me is you, and you for me  
So happy together

Ba-ba-ba-ba ...

(repeat first verse and chorus)

## Heart of Gold

Neil Young

I want to live, I want to give  
I've been a miner for a heart of gold  
It's these expressions I never give  
That keep me searching for a heart of gold  
And I'm getting old  
Keep me searching for a heart of gold  
And I'm getting old

I've been to Hollywood, I've been to Redwood  
I've crossed the ocean for a heart of gold  
I've been in my mind, it's such a fine line  
That keeps me searching for a heart of gold  
And I'm getting old  
That keeps me searching for a heart of gold  
And I'm getting old

Keep me searching for a heart of gold  
You keep me searching and I'm growin' old  
Keep me searching for a heart of gold  
I've been a miner for a heart of gold.

## Hey Jude

The Beatles

Hey Jude, don't make it bad  
Take a sad song and make it better  
Remember to let her into your heart  
Then you can start to make it better

Hey Jude, don't be afraid  
You were made to go out and get her  
The minute you let her under your skin  
Then you begin to make it better

And anytime you feel the pain  
Hey Jude, refrain  
Don't carry the world upon your shoulders  
For well you know that it's a fool who plays it cool  
By making his world a little colder

Hey Jude, don't let me down  
You have found her, now go and get her  
Remember to let her into your heart  
Then you can start to make it better

So let it out and let it in, Hey Jude, begin  
You're waiting for someone to perform with  
And don't you know that it's just you, Hey Jude, you'll do  
The movement you need is on your shoulder

Hey Jude, don't make it bad  
Take a sad song and make it better  
Remember to let her under your skin  
Then you'll begin to make it better  
Better, Better, Better, Better, Better  
Na- na na, Na na na na, Na na na na, Hey Jude

## **In My Life**

The Beatles

There are places I'll remember  
All my life though some have changed  
Some forever not for better  
Some have gone and some remain

All these places have their moments  
With lovers and friends I still can recall  
Some are dead and some are living  
In my life I've loved them all

But of all these friends and lovers  
There is no one compares with you  
And these memories lose their meaning  
When I think of love as something new

Though I know I'll never lose affection  
For people and things that went before  
I know I'll often stop and think about them  
In my life I love you more

Though I know I'll never lose affection  
For people and things that went before  
I know I'll often stop and think about them  
In my life I love you more  
In my life ... I love you more

## **Norwegian Wood**

The Beatles

I once had a girl, or should I say, she once had me  
She showed me her room, isn't it good, Norwegian wood

She asked me to stay and she told me to sit anywhere  
So I looked around and I noticed there wasn't a chair

I sat on a rug, biding my time, drinking her wine  
We talked until two, and then she said, it's time for bed

She told me she worked in the morning and started to laugh  
I told her I didn't and crawled off to sleep in the bath  
And when I awoke, I was alone, this bird had flown  
So, I lit a fire, isn't it good, Norwegian wood

## **Our House**

Crosby, Stills, Nash and Young

I'll light the fire, you place the flowers in the vase  
That you bought today  
Staring at the fire for hours and hours  
While I listen to you play your love songs  
All night long for me, only for me

Come to me now and rest your head for just five minutes  
Everything is done  
Such a cozy room ,the windows are illuminated  
By the evening sunshine through them  
Fiery gems for you, only for you

Chorus:

Our house, is a very, very, very fine house  
With two cats in the yard  
Life used to be so hard  
Now everything is easy 'cause of you and I  
La la la...

## **Ring of Fire**

Johnny Cash

Love is a burning thing and it makes a fiery ring  
Bound by wild desire I fell into a ring of fire

Chorus:

I fell into a burning ring of fire  
I went down, down, down  
And the flames went higher  
And it burns, burns, burns  
The ring of fire, the ring of fire

Chorus:

The taste of love is sweet when hearts like ours meet  
I fell for you like a child, oh, but the fire went wild

Chorus: (2x)

## **Sound of Silence**

Simon and Garfunkle

Hello darkness, my old friend,  
I've come to talk with you again,  
Because a vision softly creeping,  
Left its seeds while I was sleeping,  
And the vision that was planted in my brain  
Still remains  
Within the sound of silence.

In restless dreams I walked alone  
Narrow streets of cobblestone,  
'Neath the halo of a street lamp,  
I turned my collar to the cold and damp  
When my eyes were stabbed by the flash of a neon light  
That split the night and touched the sound of silence.

And in the naked light I saw  
Ten thousand people, maybe more.  
People talking without speaking,  
People hearing without listening,  
People writing songs that voices never share  
And no one dare disturb the sound of silence.

Fools said I, you do not know  
Silence like a cancer grows.  
Hear my words that I might teach you,  
Take my arms that I might reach you.  
But my words like silent raindrops fell,  
And echoed in the wells of silence

And the people bowed and prayed  
To the neon God they made.  
And the sign flashed out its warning,  
In the words that it was forming.  
And the sign said, the words of the prophets  
Are written on the subway walls and tenement halls.  
And whispered in the sounds of silence.

## **Take It Easy**

Jackson Browne and Glenn Frey

Well, I'm a runnin' down the road try'n' to loosen my load  
I got seven women on my mind;  
Four that wanna own me, two that wanna stone me,  
One says she's a friend of mine.  
Take it easy, take it easy,  
Don't let the sound of your own wheels drive you crazy.  
Lighten up while you still can, don't even try to understand.  
Just find a place to make your stand and take it easy.

Now, I'm a standin' on a corner in Winslow, Arizona  
With such a fine sight to see;  
It's a girl my Lord, in a flat-bed Ford  
Slowin' down to have a look at me.  
Come on, baby, don't say maybe.  
I gotta know if your sweet love is gonna save me.  
We may lose and we may win, but we will never be here again.  
Oh, open up, I'm climbin' in to take it easy.

Well, I'm runnin' down the road try'n' to loosen my load,  
Got a world of trouble on my mind.  
I'm lookin' for a lover who won't blow my cover;  
She's just a little hard to find.  
Take it easy, take it easy,  
Don't let the sound of your own wheels drive you crazy.  
Come on baby, don't say maybe.  
I gotta know if your sweet love is gonna save me.  
You gotta take it easy, gotta take it easy

## **Teach Your Children**

Crosby, Stills, Nash And Young

You, who are on the road, must have a code, that you can live by.  
And so, become yourself, because the past, is just a good bye.

Chorus:

Teach your children well, their father's hell, did slowly go by  
And feed, them on your dreams  
The one they pick's, the one you'll know by.  
Don't you ever ask them why, if they told you, you would cry,  
So just look at them and sigh, and know they love you.

And you, of tender years, can't know the fears, that your elders grew by  
And so please help, them with your youth,  
They seek the truth, before they can die,

Chorus:

Teach, your parents well, their children's hell..

## **The Boxer**

Paul Simon

I am just a poor boy though my story's seldom told  
I have squandered my resistance  
For a pocket full of mumbles, such are promises  
All lies and jest, still a man hears what he wants to hear  
And disregards the rest

When I left my home and my family, I was no more than a boy  
In the company of strangers  
In the quiet of a railway station, running scared  
Laying low, seeking out the poorer quarters where the ragged people go  
Looking for the places only they would know  
Lie la lie Lie la lie Lie la lie Lie la lie Lie la lie

Asking only workman's wages I come looking for a job  
But I get no offers  
Just a come-on from the whores on Seventh Avenue  
I do declare, there were times when I was so lonesome  
I took some comfort there  
Lie lie lie lie la

Then I'm laying out my winter clothes and wishing I was gone  
Going home where the New York City winters aren't bleeding me  
Leading me, going home.

In the clearing stands a boxer and a fighter by his trade  
And he carries a reminder of every glove that laid him down  
Or cut him till he cried out in his anger and his shame  
I am leaving, I am leaving, but the fighter still remains. Lie la lie

## **The Lion Sleeps Tonight**

The Tokens

Wimoweh Wimoweh Wimoweh Wimoweh  
In the jungle the mighty jungle the lion sleeps tonight  
In the jungle the quiet jungle the lion sleeps tonight

Near the village the peaceful village the lion sleeps tonight  
Near the village the quiet village the lion sleeps tonight

Hush my darling don't fear my darling the lion sleeps tonight  
Hush my darling don't fear my darling the lion sleeps tonight

## **The Times They Are a Changin'**

Bob Dylan

Come gather 'round people wherever you roam  
And admit that the waters around you have grown  
And accept it that soon you'll be drenched to the bone  
If your time to you is worth savin'  
So you better start swimming or you'll sink like a stone  
For the times, they are a-chang - in'

Come writers and critics who prophesies with your pen  
And keep your eyes wide the chance won't come again  
And don't speak too soon for the wheel's still in spin  
And there's no tellin' who that it's namin'  
For the loser now will be later to win  
For the times they are a-chang-in'

Come senators, congressmen please heed the call  
Don't stand in the doorway, don't block up the hall  
For he that gets hurt will be he who has stalled  
There's a battle outside and it's ragin'  
It'll soon shake your windows and rattle your walls  
For the times they are a-changin'

Come mothers and fathers throughout the land  
And don't criticize what you don't understand  
Your sons and your daughters are beyond your command  
Your old road is rapidly agin'  
Please get out of the new one if you can't lend a hand  
For the times they are a-changin'

The line it is drawn the curse it is cast  
The slow one now will later be fast  
As the present now will later be past  
The order is rapidly fadin'  
And the first one now will later be last  
For the times they are a-changin'

## **Time Is On My Side**

The Rolling Stones

Time is on my side, yes it is, time is on my side, yes it is  
Now you always say that you want to be free  
But you'll come running back, you'll come running back  
You'll come running back to me

Oh, time is on my side, yes it is, Time is on my side, yes it is  
You're searching for good times but just wait and see  
You'll come running back, you'll come running back,  
You'll come running back to me

Go ahead, go ahead and light up the town  
And baby, do everything your heart desires, remember, I'll always be around  
And I know, I know like I told you so many times before  
You're gonna come back, baby 'cause I know  
You're gonna come back knocking yeah, knocking right on my door. Yes, yes!

Time is on my side, yes it is. Time is on my side, yes it is  
'Cause I got the real love the kind that you need  
You'll come running back, you'll come running back  
You'll come running back to me  
Yes time, time, time is on my side, yes it is (4X)

## **You Don't Know How It Feels**

Tom Petty

Let me run with you tonight, I'll take you on a moonlight ride  
There's someone I used to see, but she don't give a damn for me

Chorus:

Well, let me get to the point, let's roll another joint  
Turn the radio loud, I'm too alone to be proud  
You don't know how it feels,  
You don't know how it feels...to be me

People come, people go, some grow young, some grow cold  
I woke up in between a memory and a dream

Chorus:

Well, let me get to the point, let's roll another joint  
Let's head on down the road, there's somewhere I gotta go  
You don't know how it feels, you don't know how it feels  
No, you don't know how it feels...to be me

My old man was born to rock but he's still tryin' to beat the clock  
Think of me what you will, I've gotta a little space to fill

Chorus: (3x)
